**Centre for the promotion, establishment and maintenance of Eucharistic Adoration in Canada**

Greetings Father!

**Extended exposition of the Blessed Sacrament is one of the greatest blessings that a parish priest can benefit from and offer to his flock.** Saint Pope John Paul II greatly desired perpetual adoration to be established in every parish. Cardinal Collins wants this in all his parishes.

*Looking back at adoration chapels and programs that we have helped establish, we are amazed at the incredible fruit and countless blessings this brings to parish communities.* Pastors and parishioners experience tremendous graces through the power and peace of Jesus truly present in the great mystery of the Blessed Sacrament. Benefits include an increased interest in the Sacraments. Parish life, vocations and souls are inspired and nourished through this constant vigil and legacy of prayer.

***We are writing to offer your parish an important and special service that is designed to virtually and effectively eliminate any extra burden to parish priests and staff,*** except for choosing a place for the adoration and having the Host changed in the Monstrance when needed. First, the pastor invites us to organize an Adoration Invitation Sign-Up Weekend. At each Mass, an inspiring message is delivered and Invitations to commit to taking a weekly holy hour are handed out with pencils to all the faithful and completed. In addition, we recruit, train and support a team of laity from within each parish who will thoroughly coordinate the program and report back to the pastor when requested or if necessary.

We assist with sign-up weekend and the organizational training meeting either in person, from a distance or pastors can organize this themselves using our resources.

Pastors are amazed to find hundreds of people signing up on this weekend. ***The response on your Sign-Up Weekend and the parish priest's final decision determines the number of days and the hours that the exposition will take place - either part-time holy hours or round the clock perpetual adoration.***

***May we please schedule a Eucharistic Adoration Sign-Up Weekend at your parish?***

We would be grateful to take care of and help with setting up this program. If we can be of any help or answer any questions about increasing adoration, we can be contacted at:
