On the Blessing of Perpetual Eucharistic Adoration

“It will be exactly 20 years in June. I don't think all of this prayer would have been done without the chapel. They concentrate on the Blessed Sacrament. Our pastor, did something unique this year on his birthday. All he wanted was for people to spend an hour before the Blessed Sacrament. You wouldn't have believed all the extra hours logged in the chapel by visitors. I thought that was a wonderful thing to do. Nobody except a priest would. People drive from other parishes and cities to visit. They get off the 401 and stop to visit the adoration chapel. Someone from Bancroft signed up for an hour during the time they visit Belleville to shop.

Our pastor has been here for 20 years and our parish has changed since he initiated the adoration chapel. The parish is now so vibrant and outgoing will all kinds of activities and programs (fellowship, Bible study, ethnic festival in his backyard, prayer groups etc.) that have taken place since the adoration chapel was started. I really think it is all the graces from adoration. The parish is the difference between night and day over 20 years span since we began perpetual adoration. It is amazing what has gone on. It has built a great bonding amongst the parishioners.

The Blessed Sacrament has been instrumental in helping others who have moved into the area to adjust to their new surroundings and situations. They are loved and appreciated. There are many ethnic groups in our parish who are frequent adorers and are so devoted to the Blessed Sacrament.

We are all united in our Love for and around our Eucharistic Lord.

Whenever anyone has come to do missions or visit our parish they say there is something different and vibrant about this parish and I believe it is because we have perpetual adoration. A tangible grace, peace and joy flow from the adoration chapel. People feel the Presence of the Holy Spirit and Jesus. There is a difference in your day and your life. God provides and gives the strength to help you through things.

I would encourage other parishes to do the same. We started this in a little country parish. Other parishes joined in. We did not have a problem filling hours in the summer etc. God has always provided adorers. People tried it and wanted to become part of it - every year, more adorers signed-up. When you start it you don't want to decrease and eliminate hours. The gifts we are receiving are very special. God has blessed me big time" (Adoration Coordinator at parish in the Archdiocese of Kingston, Ontario). "

When God finds a pastor who puts no limits to the glory given to His Son in the Blessed Sacrament, He puts no limits to the outpouring of graces on the parish! The Lord is asking us to have Perpetual Adoration so that His Kingdom may come. The power of continual prayer before the Blessed Sacrament will bring about Christ's Kingdom on Earth.

Prayer to Our Lady of the Blessed Sacrament

Virgin Immaculate, perfect lover of Our Lord in the Blessed
Sacrament,
we ask thee to obtain for us the graces we need to become true
adorers of our Eucharistic God.

Grant us, we beg of thee, to know Him better, to love Him more,
and to
center our lives around the Eucharist, that is, to make our whole
life a
constant prayer of adoration, thanksgiving, reparation, and
petition to
Our Lord in the Blessed Sacrament. Amen.

V. Pray for us, O Virgin Immaculate,
Our Lady of the Most Blessed Sacrament.

R. That the Eucharistic Kingdom of
Jesus Christ may come among us!
